

Female Football Club

# INGLEMIRE AFC

**Womens  
Development Team**

## Developing Talent

Our Ladies' team started their football journey at the bottom of division two of the East Riding Women's League in the 2024/25 football season.

Our vision was to bring talented young players into the squad and recruit a few experienced players who had played at a higher level, mixing experience, knowledge and enthusiasm to learn.

Our team, backed up by skilled, passionate coaches and volunteers, quickly improved the quality of the football played. Playing under the Cottingham Rangers Club, The team's confidence grew, and because of our exciting football, we became known as a team that scores goals!

As our League position raised so did our desire to develop as a team and progress to the next level, A vote was taken from our players and it was decided to Set-up the Inglemire AFC Club.

As we start our second season as a team, we are excited to announce the creation of our brand new Womens development team

***This team will train and sociliate with the current established team, with regular opportunities to progress into the 1st Team.***

***The development players will not be Dual Signed.***

## Young Players

The development team, is looking for players that are moving from the Girls Football League and wish to continue in the sport. (16+ Yrs.)

We welcome young players from all local grass roots teams that fancy a change or new start with a like minded team of players that want to play football.

All we ask is that you show commitment and a willingness to learn and integrate with the team dynamics.

Due to the nature of the training we require that you have played team football and are not new to the game.

*We do only  
positive.* 😊

## Returning Players

We are recruiting experienced players that have had a break from football and are looking at a way back in to the game whilst improving fitness and stamina.

We welcome mothers, that have had time out and former students returning from University.

## Experienced Players

We are looking for experienced players, that wish to join an exciting new team and help develop the next generation of Women players.

Your experience and playing knowledge is a valuable asset which can be passed down and which we would really like to benefit from

## New Kit

# New Facilities

We are delighted to announce that we have secured match day facilities at the University of Hull, Inglemire lane. Playing on maintained grass pitches that are ranked as some of the best pitches in Hull.

Training facilities, are at St Marys College, Cranbrook Avenue Hull, 3G Pitches.
